

PLAY ALL DAY, LLC

RULES & REGULATIONS

To ensure the safety and health of all animals and staff at Play All Day, LLC (PAD), we require all clients to comply with the following Rules and Regulations.

SEX: All dogs must be sprayed or neutered (unless they are under 6 months of age).

VACCINATIONS: All dogs must have up-to-date vaccinations. Parents must submit written verification that their dogs have current DHLPP, Rabies and Kennel Cough vaccinations. *Specifically the vaccines required are Distemper, Rabies and Bordetella (Kennel Cough). It is your responsibility to provide on-going verification of current vaccinations. You will be charged a "special needs fee" if it is necessary for our staff to secure verification.*

HEALTH: All dogs must be in good health. Parents will need to certify that their dogs are in good health and have been free from any condition that could potentially jeopardize other guests. **Dogs who have been ill with a communicable condition in the last 30 days will require veterinarian certification of health to be admitted or readmitted.** If, at any time during care, a dog is noticed to have fleas or ticks, treatment will be applied and charged to the parent at the minimum rate of \$30.00. All dogs will be examined for signs of fleas and ticks at check in and will not be admitted to daycare if fleas or signs of fleas or ticks are noticed. This "spot check" is not a foolproof process, therefore, PAD highly recommends a flea and parasite preventative, excluding flea/tick collars. Product suggestions: Sentinel, Top Spot (Front Line), or Program.

BEHAVIOR: All dogs must pass the PAD Proprietary Behavior Assessment for enrollment in our program. All dogs must be non-aggressive and not food or toy protective. *Parents will need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any person or any other dog(s). Please remember that your pet will be spending time with other pets and that their safety and health is our main priority.* **Keep in mind, although it is supervised play, your dog still might acquire an occasional nip or scratch.**

AGE: Any age dog/puppy is allowed at PAD as long as the dog/puppy meets the PAD criteria. Puppies may begin PAD before they receive their Rabies vaccine and before they are sprayed/neutered, as long as both will be taken care of by 6 months of age.

ENROLLMENT: All dogs must have a complete, up-to-date and approved enrollment form. **ALL PAD FORMS MUST BE SIGNED BY PARENT BEFORE ENROLLMENT.**

FEES: Due and payable at the end of each day/week. Cash, checks and credit cards are accepted. Discounted packages are provided only if they are paid in advance. Prepaid packages are non-refundable. Our program is flexible enough to accommodate reasonable special needs requests, however, appropriate fees will be applied. Please see price list for all fee details.

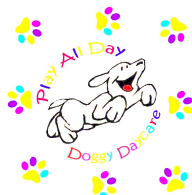

HOURS OF OPERATION: Monday through Friday from 6:00am to 7:00pm and Saturday 7:00am – 4:00pm. We are closed on Sundays. Drop off and pick up any time during these hours. Weekend and holidays may vary with drop off and pick up at specified times only. **Late charges of \$1.00 per minute will be applied to habitual offenders.**
